St. Louis, Missouri: From its origins as a trading post perched on the threshold of uncharted territory, St. Louis grew to blend disparate influences -- French, German, Ragtime, Rust Belt, Midwest and Southern. All tours begin at the Gateway Arch. Designed in 1966 by architect Eero Saarinen to commemorate Thomas Jefferson's vision of westward expansion, the Arch is synonymous with the city. First-rate museums, an extensive botanical garden, and a strong musical heritage give visitors plenty of reason to say "meet me in St. Louis." Located near Six Flags Great America and near Forest Park which is home to many historical buildings, monuments and wildlife.

Hello!

Welcome to the U.S. State Departments Work and Travel USA Cultural Exchange Program. Cultural Homestay International (CHI) will be your sponsor. My name is Jodi Blank and I am your Program Coordinator. I am available to assist you with any questions you might have during your program. My goal is for us to maintain good communication and ask you to please check your email frequently.

Here are a few very important things to remember.

As soon as you purchase your plane tickets log onto www.sevis.org (Use your last name and number found on your DS2019 form), enter your complete travel arrangements as soon as you make your flight reservations. You only need to input the flight information to your FINAL DESTINATION. Be sure and include how you are getting to your employers from the airport and the date & time of arrival at your employer.

YOU MUST ALSO NOTIFY YOUR EMPLOYER AT LEAST TWO WEEKS IN ADVANCE OF YOUR ARRIVAL!

When you fly make sure to keep the following important documents with you at all times while traveling:

- Passport • J-1 visa • DS-2019 • CHI Student Handbook
- Arrival Instructions Letter • Sponsorship Letter from CHI • Job Offer

When you travel, you should keep all your documents in your carry-on bag and with you at all times. Please make copies to leave with your family. Make sure you do not carry large amounts of cash with you. You do have to have access to at least \$1000 when you arrive. This does not mean to bring it all in cash, it can be a combination of travelers checks, bank card, some cash, etc.

After you arrive in the USA

Please login to SEVIS again to show proof of your arrival. The US State Department requires you to do this within 3 days of entering the US. You are required to input your 1-94 number and housing address of where you will be living in the US. The US Government must know where you live at all times.

Please remember to use your home address in your home country (NOT your University address) when filling out all paperwork with your new employer. This is very important and ensures that your employers can forward any important employment related documents to you by mail after you return home. DO NOT use your U.S. housing address as documents will not be forwarded to you. When your program is complete and you are preparing to return home, it is very important that you give your employer 2 self-addressed stamped envelopes.

You must be VALIDATED in SEVIS and be in the US for at least 10 business days BEFORE going to apply for your Social Security card. If you do not, it will delay or prevent you from receiving your SS number. To check to see if you are validated, go back into the SEVIS system 3 days after you validated yourself. An "S" in the status field indicates your successful validation. If you require support, please contact CHI at chiwt@chinet.org or calling CHI at 1- 800-432-4643.

Second Jobs – You are not allowed to work or start training at a 2nd job without CHI permission. Contact me for details.

Monthly Reports You are required to complete a online questionnaire each month of your program. An email will be sent to you monthly, requesting you to log onto SEVIS to complete the questionnaire. Be

sure and check your email frequently. Your program will be at risk if you do not complete the required monthly questionnaire.

Your employer would like to remember you. We encourage that you bring a small gift from your home country, such as: a key chain, picture postcard, magnet, chocolates, etc. This will certainly bring a smile to their face and it is a nice gesture they will not forget!

I would like to wish you a wonderful cultural exchange program filled with unforgettable memories to cherish. Please be sure to take plenty of pictures and keep a journal. We are very excited about your arrival in the United States of America and I look forward to working with you to make this a truly life changing and meaningful experience!

Warm Regards,
Jodi Blank
chijodi@chinet.org
